

A STORY FOR MOTHERS

WHICH MAY SAVE THE LIVES OF THEIR DAUGHTERS.

A Young Lady Saved when Near Death's Door—Her Illness Brought About by Allments Peculiar to Her Sex—Only One Way in Which They Can be Successfully Treated.

From the Ottawa (Canada) Citizen.

Perhaps there is no healthier people on the continent of America today than the residents of the picturesque village of Merrickville, situated on the Rideau river, and the reason is not so much in its salubrious climate as in the wise precautions taken by its inhabitants in warding off disease by a timely use of proper medicine. The greatest favorite is Dr. Williams' Pink Pills, and many are the testimonials in regard to their virtues. Your correspondent on Monday last called at the residence of Mr. and Mrs. H. Easton, and interviewed their daughter, Miss Hattie Easton, a handsome young lady of 20 years, who is known to have been very low and has been restored to health by the use of Pink Pills. "Yes," she said, "I suffered a great deal, but I am so thankful that I am once more restored to health. You have no idea what it is to be so near the portals and feel that everything in life's future is about to slip from your grasp and an early grave your doom. It was taken ill four years ago with troubles peculiar to my sex, and which has hurried many a young woman to her doom—an early grave. I have taken in all about twenty boxes of Pink Pills, and I am only too glad to let the world know what these wonderful little pellets have done for me, hoping that some other unfortunate young woman may be benefited as I was. When sixteen years of age I began to grow pale and weak, and many thought I was going into decline. I became subject to fainting spells, and at times would become unconscious. My strength gradually decreased and I became so emaciated that I was simply a living skeleton. My blood seemed to turn to water and my face the color of a corpse. I had tried different kinds of medicines, but they did me no good. I was at last confined to my room for several months and hope of my recovery was given up. At last a friend strongly urged the use of Dr. Williams' Pink Pills and after using a few boxes I began to grow slightly stronger. I continued their use until I had used about twelve boxes, when I found myself fully restored to health. I cannot find words of sufficient weight to express my appreciation of the wonderful curative qualities of Dr. Williams' Pink Pills and sincerely hope that all who are afflicted as I was will give them a trial and I am certain they will find renewed health.

The facts above related are important to parents as there are many young girls just budding into womanhood, whose condition is, to say the least, more critical than their parents imagine. Their complexion is wax in appearance, troubled with heart palpitation, headaches, shortness of breath on the slightest exercise, faintness and other distressing symptoms which invariably lead to a premature grave unless prompt steps are taken to bring about a natural condition of health. In this emergency no remedy yet discovered can supply the place of Dr. Williams' Pink Pills, which build anew the blood, strengthen the nerves and restore the glow of health to the cheeks. They are certain cure for all troubles peculiar to the female system, young or old. Dr. Williams' Pink Pills are sold by Hollister Drug Co., wholesale agents for Hawaii, and all dealers in medicine.
